

THE LORD OF BOWLAND'S 2018 ANNUAL LECTURE

THE PREHISTORY OF BOWLAND

Delivered by Rick Peterson, Senior Lecturer in Archaeology at the
University of Central Lancashire

Monday 8th October, 7.30pm – 9.00pm

Tithe Barn, Browsholme Hall, Clitheroe Road, Cow Ark, BB7 3DE

(Bar from 7.00pm)

Recent fieldwork by UCLan has discovered evidence for the early prehistory of the Forest of Bowland. Nomadic hunter-gatherers and early farmers occupied the Forest in the Stone Age, whilst Bronze Age burial sites and Iron Age settlements have also been newly discovered. Join us to hear how understanding of Bowland's past is evolving through UCLan's research.

All donations will go to the Slaidburn Archive to support its important work in recording the history of the Forest and its communities and to Champion Bowland. The Forest of Bowland AONB is grateful to the Parker family for hosting this event at Browsholme Hall.

Pre-booking essential. Places can be reserved by contacting:
